COMP “Green Meeting” Bus Pass – New for 2008

Investment: \$3,500

This year, in an effort to ensure that the annual scientific meeting has a minimal impact on the environment, delegates will be provided with a special bus pass that will enable them to travel between scientific sessions, social events and other Quebec City attractions. As a sponsor of this initiative, you will be a key partner in COMP's efforts to “green” its meetings and will get the following recognition:

- Opening ceremonies acknowledgement from the podium
- Recognition on conference signage
- Listed as bronze sponsor on the COMP website
- Half page advertisement in the Scientific Program and CCPM Symposium Proceedings
- Acknowledgment in the COMP Newsletter, *InterACTIONS*
